AM's commitment to accessibility

We enable all users to engage with our primary source content through intuitive, user-centred design experiences. Over thirty-five years of digital publishing, we have continually re-evaluated our historical design decisions to bring our products in line with the latest expectations. Our goal is to make primary source content usable and discoverable for everyone, regardless of their physical, cognitive, or research needs. Accessibility is not a one-time achievement it's an ongoing commitment.
